Outing Requirement

Shot Gun Requirement:

Any group 30 players or less will be required to do tee times.

In order to close the entire course down for your event, you will have to meet the required Player count Weekday **100**, Weekend **120** Players

If you do not meet these required minimum numbers, it will be at WR discretion on how to proceed with the modified Shot Gun start.

All outings that meet the Shot Gun requirement have a choice of 2 start times 8am or 2pm

10 Days from the event you will need to provide WR with a player count to determine your starting format.

5 Days from the event you will need to provide WR with a **MINIMUM** player count that you will be charged for if you numbers drop. You may always add players after the 5 Days, but please note that WR needs to know of these changes as soon as possible to make sure we can accommodate your player count.

Beverage Carts:

WR will provide the Beverage Cart drivers for your event.

You must have 50 Players to qualify for 1 Beverage Cart or you must have 75 Players to qualify for a second Beverage Cart.

Payments:

ALL payments must be made by the day of the event.

WR will not be processing individual Credit Card payments. All golfers in the outing must pay you.
